Attachment for Request for Withdrawal as Attorney or Agent and Change of
Correspondence Address

The clients, the two named inventors, have not paid and refused to pay a substantial amount of attorney fees and costs for over a year. We also have a potential conflict representing both of these clients because one of them is now demanding that we not communicate with the other. As indicated in the attached copy of our e-mail to them, they have provided no instructions or comments for a response which is due for the outstanding Office action mailed November 16, 2005. A response period with a three-month extension is May 16, 2006. We are filing an after final amendment to preserve the client's rights, but without the extension fee. Both clients have been notified of such a filing and that if they choose, they can pay the fee for the 3-month extension.
